

Utah Music Teachers Association Presents

Utah Valley

Monster Concert 2022

April 30 | 12:00, 12:45, 1:30

University Place Mall, Orem

What is a Monster Concert?

Utah Valley's first Monster Concert will feature over 200 piano students playing duets, trios, and quartets on eight pianos at one time. The concert builds collaborative skills in young musicians and demonstrates the joy of playing the piano to the public with exciting, crowd-favorite pieces. With up to 24 students performing at one time, this concert is truly a "monster" of a performance.
